|                        |                                   |             |                | At this point, you should feel like you have a solid routine with your training. Continue to do the things you need to recover: sleep and hydration being primary. But think about adding a couple minutes to an easy run if you haven't done so, and recognize the importance of your Saturday run.                                    |                                  |                  |  |

|                            |                                    |              |                | Official mandatory practices began last Monday. Broncos are expected to be in attendance at all practices if they want to compete for this team - reach out to Coach Borboa directly if a conflict arises. Be mindful of your "sleep hygiene" right now. A consistent bed time will be necessary while your body adjusts to morning practice and school. |                                  |                              |  |

| Sat, Nov 6                 | 8:00am Granada Park (20th St &  | Bridal Path | LSLM           | Easy Run                                                                                                                                                                                                                           | 8x 100m strides; self-care     |                         |  |
| Sun, Nov 7                 | OYO                             | Bridal Path | LSLM           | Short Easy Run                                                                                                                                                                                                                     | self-care                      |                         |  |
|                            |                                 |             |                | Let's nail the basics - hydration, nutrition, school work, sleep. Note the days we will hit the plunge pool - you must bring a towel and swim trunks. And please do NOT let Anderson practice for the slam dunk context this week. |                                |                         |  |
